DISCUSSION

Incremental fee increases are proposed for Child Care Program permit fees, which address operational costs. This revenue will allow the Department to provide required services including inspections, education, and investigations to the child care industry, and to protect children and staff from injury, illness and the spread of disease. This revenue was part of the FY 13/14 Budget that was approved by the City Council.

POLICY OR PROGRAM CHANGE: No

COST OF TOTAL PROJECT: Projected revenue change will be a total of \$680.
